

## AN INVITATION

We are delighted to announce that this year we are returning to face to face events with you, our friends and supporters. We've decided to do so in style with the generous help of our 2022 charity partners, Blenheim.

We will be holding a lunch and auction, hosted by our Patron Jeremy Irons

### WHEN

World Mental Health Day: Monday 10 October, 12 - 3pm

### WHERE

The Orangery, Blenheim Palace

There will be many more details nearer the time. In the meantime, people have been asking us how they can support this event so here are some ideas.

### Fill a table for a great reason!

Do you need to reward a team or specific employees?  
Would you like an elegant way to entertain clients or drive new business?  
How about enjoying lunch with friends, or using the event for a birthday or other celebration?

Tickets are £100 per person and tables will seat ten people with flexibility as required. That's not all - after the lunch, you're free to enjoy the beautiful grounds of Blenheim.

Start your planning today and reserve tables in advance [here](#) or simply [RSVP](#) your interest to us.

**BLENHEIM**

### Business supporters - be one of our event sponsors.

Yes, you could have your name and logo fully visible at the event, on all event assets, on social media and through our communications. You may also wish to provide items for the tables to describe or display your business offering. If you are interested in a visibility package of this nature, please [talk to us](#).

### Donate auction prizes.

A silent auction will run digitally for the weeks running up to the event. We will also auction a small number of higher value items during the lunch. If you would like to donate an auction prize, you can do so [here](#).

### Make a donation.

If you are unable to attend, feel free to make a donation.

More information will follow soon but do get in touch with any questions. Looking forward to hearing from you.
